Pastor/Small Group Leader:

A member of your congregation has applied as a volunteer for the Southern Illinois Christian Conference Youth Camp. Our organization is responsible for both the physical and spiritual needs of our campers. To help ensure we are staffed with responsible, spiritually mature leaders, we ask for a pastoral recommendation from a senior pastor, associate pastor, or small group leader. Please, forward this to the one best able to answer the following questions in regards to the applicant.

The completed form can be mailed to Heather Greer at 5078 Old US Highway 51, Makanda, IL 62958 or scanned and emailed to the email address above. We ask that recommendations are not mailed to the address above, as that is the physical address of the camp and does not receive mail for the camp.

Thank you for your help.

Blessings!

Donnie Wollard - SICC Camp Board President
